RAMAKRISHNA MATH AND RAMAKRISHNA MISSION

Ramakrishna Math and Ramakrishna Mission are worldwide, non-political, non-sectarian spiritual organizations which have been engaged in various forms of humanitarian, social service activities for more than a century. Although Ramakrishna Math and Ramakrishna Mission are legally and financially separate, they are closely inter-related in several ways and are regarded as twin organizations. The Ramakrishna Math and Ramakrishna Mission was established in the year 1897 and the headquarters of the Order is located at Belur Math, Howrah - 711 202, West Bengal, India. So far 221 centers are spread over different parts of the world to propagate the teachings of Holy Trio as per the following ideals:

Ideal : Work as worship, potential divinity of the soul and harmony of religions are three of the noteworthy ideals on which these two organizations are based.

Motto : The motto of the twin organizations is ATMANO MOKSHARTHAM JAGADHITAYA CHA, "For one's own salvation and for the welfare of the world". It was formulated by Swami Vivekananda.

Activities : Educational Services, Medical Services, Relief and Rehabilitation Activities, Service in Rural and Tribal Areas, Training to religious & spiritual aspirants & Propagation of Sanatan Dharma.

Period of Sri Ramakrishna's stay at Kamarpukur

1. First Stay: 1836-1853 (From his birth to his departure for Calcutta) (almost 17 years)

* Birth of Sri Ramakrishna, February 18, about 5:15 a.m.

* First trance of Gadadhar.

* Death of Kshudiram.

* Gadadhar's sacred thread ceremony.

* Gadadhar came to Kolkata.

2. Second Stay: September, 1854- May, 1855, (almost eight months) : 1261-1262 (Ashwin-Jaistha) (Beng.)

3. Third Stay: June, 1855- Middle of July, 1856, (almost One year) : 1262-1263, (Ashar-Shraban)

4. Fourth Stay: October, 1858- December, 1860, (almost Two years and two months) : 1265-1267, (Ashwin- Kartik - Agrahayan) (Beng.)

5. Fifth Stay: June-December, 1867 (almost six months) : 1274, (Jaistha-Agrahayan) (Beng.)

6. Sixth Stay: Middle of August-Middle of October, 1870 (almost 2 months) : 1277, (Shraban-Ashwin)

7. Seventh Stay: January-February, 1876 (almost one month) : 1282, (Poush-Magh) (Beng.)

8. Eighth Stay: Middle of June—End of September, 1876 (almost three and half months) : 1283, (Ashar- Middle of Ashwin) (Beng.)

9. Ninth Stay: 1st July - Middle of September, 1877 (almost Two months and fifteen days) : 1284, (Middle of Ashar - End of Bhadra) (Beng)

10. Tenth Stay: End of June—End of September, 1878 (almost three months) : 1285, (First of Ashar-First of Ashwin) (Beng.)

11. Eleventh & Last Stay/visit: 3rd March-10th October, 1880 (almost Seven months and seven days) : 1285, 21st Falgun-25th Ashwin) (Beng.)

Period of Holy Mother's stay at Kamarpukur

1. First Stay: May, 1859

At the age of five years, after marriage, the Holy Mother came to Kamarpukur for the first time. But in the next day she was taken back to Jayrambati by her uncle.

2. Second Stay: December, 1860

This year the holy Mother stayed at Kamarpukur for a short period.

3. Third Stay: May, 1866 (?)

When Sri Ramakrishna was immersed in the depths of Sadhana at Dakshineswar, the Holy Mother at the age of thirteen years came to Kamarpukur and stayed for one month.

4. Fourth Stay: December, 1866 - January, 1867

This time the Holy Mother stayed at Kamarpukur for one and a half month.

5. Fifth Stay: May-November, 1867

At the end of the Vedanta Sadhana, Sri Ramakrishna came to Kamarpukur from Dakshineswar with Hridayram and Bhairavi Brahmani. That time the Holy Mother at the age of fourteen years was brought to Kamarpukur from Jayrambati and stayed at Kamarpukur for about seven months.

6. Sixth Stay: 1885

The Holy Mother came to Kamarpukur on the occasion of the marriage of Ramlal.

7. Seventh Stay: September, 1887

After returning from Vrindaban, the Holy Mother spent nine months at Kamarpukur under extreme hardship condition. During this period, Gouri-Maa came to Kamarpukur and explained to the Holy Mother with the help of scriptures that her widowhood was not necessary as Sri Ramakrishna was her spiritual husband. One day the Holy Mother had a vision that the Ganga was gushing forth from the blessed feet of Sri Ramakrishna.

INTRODUCTION

Bhagawan Sri Ramakrishna (1836 – 1886) was born on 18 February 1836 in the village of Kamarpukur about sixty miles northwest of Kolkata. His parents, Kshudiram Chattopadhyaya and Chandramani Devi, were poor but very pious and virtuous. When Sri Ramakrishna was sixteen, his brother Ramkumar took him to Kolkata and after few months he was appointed a priest at Kali Temple at Dakshineswar. There he immersed himself in Sadhana of different religions for twelve years. With his unquenchable thirst for God, Sri Ramakrishna broke the frontiers of Hinduism, glided through the paths of Islam and Christianity, and attained the highest realization through each of them in a short span of time. He looked upon Jesus and Buddha as incarnations of God, and venerated the ten Sikh Gurus. He expressed the quintessence of his twelve-year-long spiritual realizations in a

simple dictum: “*Tato mat, tato path*“, As many faiths, so many paths.”- He affirmed that one must be sincere, earnest, regular and diligent in one’s spiritual practices to achieve the ultimate goal of human life i.e. realization of God.

The centre at Kamarpukur was affiliated to Headquarters of Ramakrishna Math and Ramakrishna Mission, Belur Math in 1947. Some of the significant holy places of Kamarpukur are :

Sri Ramakrishna’s Birth Place :

According to English calendar, on Thursday, the 18th February, 1836, (As per the Indian Almanac, Wednesday, Phalguni Shukla Dwitiya, the second day of the light half of Phalguna) Gadadhar was born 12 minutes before sunrise. Just on the spot of his birth, the altar of the present temple of Sri Ramakrishna has been constructed and the things connected with his birth, viz. a husking pedal, a fireplace and a lamp, have been engraved on it. The marble image of Sri Ramakrishna installed on the 11th May, 1951, is since being worshipped there.

Sri Ramakrishna's Living-Room :

While at Kamarpukur, Sri Ramakrishna used to stay in the south-facing hut situated to the western side of the premises which is presently being used as part of the shrine of Sri Ramakrishna. Once he told the Holy Mother,

“After my passing away, you stay at Kamarpukur, grow greens, live upon this simple fare and spend your days in repeating the name of the Lord. Whatever arrangements the devotees might lovingly make for you, don't let your own house at Kamarpukur be ruined”. That was why the Holy Mother lived in that hut after passing away of the Master, despite dire financial and other difficulties.

The Temple of Sri Raghuvira :

This was previously a small hut facing east. It had floor and walls of mud and a roof of straw. The present temple has been constructed exactly on the

same spot with the same dimensions. In it, the Shalagrama Sheela of Raghuvira (Rama), the earthen jar representing Goddess Sitala, the Rameswara Shivalinga, an image of Gopala and the Shalagrama Sheela of Narayana are worshipped every day. The last two deities were worshipped by Lakshmi Didi, niece of Sri Ramakrishna.

The Parlour and the Mango Tree :

In the parlour, Sri Ramakrishna used to meet people and instruct them. The Mango Tree planted by Sri Ramakrishna stands to the east of the parlour and still yields fruit.

Yugi's Shiva Temple :

This temple is situated to the north of the residence of Sri Ramakrishna. In front of the temple, his mother had a divine vision. While speaking to Dhani, she suddenly saw a beam of celestial light which emerged from the image of Shiva filled the temple and entered her body swiftly. Taken by surprise and overpowered with fear, she fell into a swoon. When she regained consciousness, she felt that the light was still in her womb and that she had conceived. The result was that Sri Ramakrishna was born.

Halder Pukur :

The vast water tank at the northern side of the Yugi's Shiva Temple is known as Halder Pukur. Many sweet memories of the boyhood days of Sri Ramakrishna centre round this tank. On innumerable occasions, Gadadhar came here with his friends and swam sportively there. The water of the tank has become sacred as Sri Ramakrishna, his father Kshudiram and the Holy Mother used to bathe in it.

Lakshmijala :

'Lakshmijala' is situated to the west of Halder Pukur. It is a paddy field. After leaving Derepur, Sukhlal Goswami of Kamarpukur gifted Kshudiram Chattopadhyay a few huts of his homestead and also a

small plot of paddy field measuring about half an acre which Kshudiram gratefully accepted and lived there happily. By the grace of Raghuvir, the land was soon producing so much rice that it became more than sufficient for the little family. The surplus was given to guests and visitors. Kshudiram hired the farmers to plough the field; when the seedlings were ready, he would transplant a few bunches while taking the name of Raghuvir and then talking to farmers to finish the job.

The Primary School of the Lahas :

The school was held in the spacious Natmandir in front of Sri Durga Temple of Lahas where Gadadhar used to take school lessons at his early age. In a short time he learnt to read and write, but soon his interest changed and

he developed a tendency to get merged in ecstatic moods at the sight of beautiful scenery or in contemplation of particular deities. The boy liked the recital of the Puranas and the performance of village dramas more than his school lessons. His handwriting was good. The plays of Subahu and Yogadya which Gadadhar copied are still preserved in the Belur Math.

Temple of Gopeswar Shiva :

This ancient temple is situated to the east of Sri Ramakrishna's house. Either Sukhlal Goswami, who helped Kshudiram to settle at Kamarpukur, or his forefather Gopilal Goswami had founded this temple with a big Shivalinga. When Sri

Ramakrishna was passing through ecstatic moods at Dakshineswar, his mother hearing the report that Gadadhar had turned mad, got alarmed and went to Gopeswar Temple, where she practiced hard penances to get the divine grace for the cure of her son's madness. Then she heard a voice directing her to do likewise before the Shiva of Mukundapur. As a result of her penances, she was assured that her son was not mad at all.

Sitanath Pyne's House :

Sitanath Pyne was a man of mediocre means. His house was to the south of the Lahas. Gadadhar used to go there in his boyhood days. When he was about 12 or 13 years old, he used to have ecstatic trances while singing devotional

songs, or reading holy books like the Ramayana and the Mahabharata there. The women of the village then worshipped him as the embodiment of Sri Chaitanya or Sri Krishna. Once on the occasion of the Shivaratri, there was an arrangement for the performance of a village drama. As the boy was to act as Shiva fell suddenly ill, Gadadhar was persuaded to play that role. But as soon as he came to the stage decked with matted locks, Rudraksha beads and ashes, he fell into a deep trance which lasted very long and the performance had to be stopped.

Budhui Moral Cremation Ground :

To the east of the village of Kamarpukur, lies the cremation ground. While staying at Kamarpukur, Sri

Ramakrishna used to go there now and then to spend much of his time in contemplation.

Cremation Ground and Banyan Tree at Bhutir Khal :

This cremation ground is situated at the north-west of Sri Ramakrishna's house. When Sri Ramakrishna came home after his strenuous austerities at Dakshineswar at the age of 22, he used to go there and

to the other cremation ground (Budhui Moral) for spiritual practices. There is an old Banyan tree under which he used to meditate during the greater part of the night. He also planted a Bilwa tree there.

Palace of Manik Raja :

Manik Chandra Bandopadhyaya of Bhursubo Village was renowned in the area for his great benevolence and so he became known as "Manik Raja". To the west of Bhutir Khal he reared an extensive mango

grove for the public. His garden became the playground of Gadadhar and his friends. With the passage of time it has become a paddy-field, with only a few mango trees standing here and there as a reminiscence of the past. There are many other incidents mentioned in Sri Sri Ramakrishna Lila-Prasanga about the intimacy of Gadadhar with Manik Raja.

Dhani Kamarini's Birth Place and Temple :

It is situated to the south-east of the Sri Ramakrishna's house. Recently, a small temple has been built on that site by some devotees and also an oil painting of Dhani with the child Gadadhar in her lap has been placed. In that temple the photo of

Sri Ramakrishna is worshipped. Once Boy Gadadhar promised Dhani that at the time of his investiture with the sacred thread he would accept alms from her. But it was contrary to that custom to accept alms from a non-brahmin on such an occasion. So his elder brother objected to it; but Gadadhar was adamant to keep his word to Dhani. And so he kept his word.

Chinu Shankhari's Birth Place :

Srinivas (alias), though not born in a high family, had great devotion to God. His relations with the boy Gadadhar was very sweet. He had a strong faith that Gadadhar was a divine being and loved him

dearly. He was afraid that he might die before he could witness the unfoldment of his divine play. One day he fed Gadadhar with sweets and prayed for his grace. Even when Sri Ramakrishna grew up, he kept loving Srinivas. After his sadhana periods, whenever Sri Ramakrishna visited Kamarpukur, Srinivas spent his time with him in religious discourses. Later, the master often referred to his deep seated devotion and love. At present nothing exists at the site of Chinu's house situated to the north-east of the Sri Ramakrishna's house and is still being maintained by Ramakrishna Math, Kamarpukur. New construction is going on as "**Chinu Shankhari's Memorial Building**".

Mukundapur Shiva Temple :

It is situated to the south-west of Sri Ramakrishna's Birth Place. On being directed by Gopeswar Shiva, Gadadhar's mother went to this temple and lay there without food and

drink, praying for the recovery of Gadadhar from his supposed madness. She, however, felt comforted when she heard a divine voice saying “don't be afraid, your son is not mad; he has become like this because of divine intoxication”. It is said that from that time onwards many people have got their prayers fulfilled by practicing such penances before the deity.

Anur Vishalakshi Temple :

The village called Anur is situated about 3 km away to the north of Kamarpukur. Goddess Visalaakshi of Anur is a very popular deity. One day a few ladies of Kamarpukur and its neighbourhood were going in a group to offer worship to Visalaakshi when the eight-year old Gadadhar also accompanied them. He recited from memory beautiful verses and sang songs about the deities, while walking with them. But while singing the glory of Visalaakshi, his body became stiff. Tears flowed down his cheeks and his voice also choked. The ladies felt

extremely anxious. Prasanna, the devoted daughter of Dharmadas Laha, was also present in the party. All on a sudden it occurred to her mind that it might be due to the mystic influence of the Goddess on the simple child who had great faith in her. When she spoke it out, all others believed it. They prayed to the Goddess repeatedly saying, “Oh Mother Visalaakshi be pleased; save us Mother; please look upon us with compassion.” Wonder of wonders! Immediately the face of Gadadhar brightened up with a sweet smile and gradually consciousness came back. The ladies felt relieved and with their hearts overflowing with devotion, they went to the temple, offered their worship duly and returned home.

Guest House :

Being the birthplace of Bhagwan Sri Ramakrishna and the epicentre of Ramakrishna Movement, thousands of devotees visit this Maha-Tirtha from various parts of the world to get spiritually refreshed and elevated. We have arrangements for limited Guest House and Dormitory having basic facilities/ amenities which can be booked (via email kamarpukur@rkmm.org) by the devotees to spend a few days in a divine and tranquil atmosphere of the Math and go back with renewed enthusiasm to spend meaningful lives.

Widow Welfare:

By the grace of Sri Ramakrishna around 50 widows get daily Prasad from our regular dining facility. Besides, clothes were also distributed and pecuniary help was provided, occasionally.

Educational Help :

Around 793 deserving students received the educational material such as note- book, pen pencil etc. from the Math and 80 poor & meritorious students were awarded scholarship.

Book Distribution From Kamarpukur Math To Needy Students

Gadadhar Abhyuday Prakalpa (GAP)

This year also “Gadadhar Abhyudaya Prakalpa” is continued for the children between the age of 6 years to 12 years with the aim of physical, mental and Intellectual development of the children. The project was initiated in 2010 to commemorate the 150th Birth Anniversary of Swami Vivekananda.

There are two units under this project. One at Kamarpukur and another located at Deregram village which is 4 Kms away from Kamarpukur. The Kamarpukur unit is having 70 (Seventy) Children while at Deregram unit there are 50 (fifty) Children.

The children are provided with daily Nutritious food items along with milk. All necessary educational materials together with uniforms, school bags, chappal, winter garments and toiletry items are being supplied to them regularly.

To make the children healthy, medical check-up Camp is conducted twice in a month. Necessary treatment is also provided by the doctors. An educational tour is conducted annually for the balanced growth of the students with exposure to different places with diverse culture. The total expenditure for running the project in these two units is borne by The Ramakrishna Math, Kamarpukur.

MISSION ACTIVITIES

EDUCATIONAL ACTIVITIES OF RAMAKRISHNA MISSION

“Vivek Bithi” (Ramakrishna Mission Primary School, Kamarpukur) :

“Vivek Bithi”, a primary school, was inaugurated on 31 January, 2010 in commemoration of the 175th Birth Anniversary of Sri Ramakrishna Deva and began its regular classes on and from 10 March, 2010. The aim of this institution is to impart man-making and character-building education to the students of Kamarpukur and its adjacent villages.

KAMARPUKUR RAMAKRISHNA MISSION MULTIPURPOSE HIGH SCHOOL :

Kamarpukur Ramakrishna Mission Multipurpose School, the transformed version of 'Laha Babu's Patshala', started its journey in full fledge in 1962 with an aim to spread Swamiji's vision and mission of education among the common people. Since its inception, the school has been catering formal education along with man making and character building education i.e the manifestation of perfection already in man. The School fosters a large number of poor students with the help of Kamarpukur Ramakrishna Math and Ramkrishna Mission. The students, here, get lessons to develop their future career and emotional development for the quest of being a good man in the true sense of the term. The school management, teachers and guardians always try to make better academic results than previous years. The school imports the famous lesson of Lord Ramakrishna, "The long we live, the long we learn" and the epoch making motto of Swami Vivekananda-"To serve man is to serve God", among the students.

The school has a hostel where almost 150 students live and learn in pristine ambiance of nature. Adding with the school education, they learn self- learning about discipline, punctuality, manners, habit of fighting against the all odds of life. When they leave our school, they enter into society as a true soldier of Swamiji who will join the feast of social development in a healthy way. Their feats in extracurricular activities are eye-blinking to other students.

The school has a well-furnished and equipped library, a computer laboratory, three science laboratories, a smart class and all modern aids for teaching. The premises have a big playground which appears before the students as a garden of paradise.

The academic year 2022 has a special meaning and honour to the school as it is the Diamond Jubilee year. Actually, a new feather has been added to the crown of school's glory. Throughout the year the school is observing various cultural programme to commemorate the glorious events of the school. The school has celebrated "Azadi Ka Amrit Mohotsav" in a befitting manner along with the nation.

The school is always trying to develop an aesthetic sense of beauty in students. The picture post-card beauty of the school's front garden reflects the beauty of the minds of our students. The results of the students of our school in Madhyamik Pariksha are praiseworthy in the district, nay of the State. This year our students have made outstanding results, inspite of covid-19 pandemic situation. The detail is given below in table format.

Ramakrishna Mission Computer Training Centre

Ramakrishna Mission Computer Training Centre came into existence on 14th August 2018 (Ratha Yatra). Computers have entered into all fields of modern life and hence a keen necessity was felt to impart computer training at very nominal rates to the general public. It was with this objective that Ramakrishna Mission Kamarpukur in collaboration with Vedanta Foundation, Mumbai started to provide knowledge to the people, without bias against any caste, creed or gender.

We train students in different courses which are practical and needful. All category students like teenagers, middle aged and senior citizens are benefited by the computer training.

We have well qualified staff working throughout the day and best for their students. A peaceful atmosphere and well-equipped computer lab helps students to learn properly.

Total 88 students have taken Computer Education during the financial year (2021-22).

Pallimangal Computer Training Centre Classroom

RAMAKRISHNA MISSION PALLIMANGAL (EDUCATIONAL UNIT) – TRAINING CUM PRODUCTION CENTRE

Capacity Building for Sustainable Livelihood :

Ramakrishna Mission Pallimangal is the wing of integrated rural developmental work of Ramakrishna Mission, Kamarpukur, Hooghly, West Bengal. This has successfully been running with several rural developmental programme including self-reliance vocational training and production as well as marketing support system in weaving, handicrafts, incense sticks making and food processing with a primary objective of helping the poor and destitute women by providing them some opportunities of income generation and thereby improving their economic as well as social status.

Celebration of Viswakarma Puja

A brief description of the programme implemented during the year 2021-22 is mentioned below :

Soil Testing Laboratory :

Considering the needs and priorities of the most important cultivated areas of West Bengal, the soil testing laboratory was established at

Kamarpukur in the year 1983. The objective was to encourage the farming community for scientific agriculture with balanced use of plant nutrients obtained from soil analysis study for higher production, economy in input cost, maintenance of soil health and reduction in environmental pollution etc.

The following figures depicted the performance of this laboratory during the year 2021-22:

SN	Source of Soil Sample	No.of Sample
1	Soil samples received from Govt. Dept.	0
2	Soil samples received from Farmers	10
	Total soil tested during the year	10

Food Processing Unit :

This unit was launched during the year 2001 with an objective of promoting Cottage Industries with a locally available resources, minimizing wastage of perishable vegetables/fruits like Tomato, Mango, Guava, Pineapple etc. and for attracting the farmers as a new source of marketing as well as income. At present various items like Pickle, Jam, Jelly, Sauce, Squash, Kasundi, Papad, Snacks and Ghee are being produced in our units which have very good response and demand from the customers.

Ghee Processing

Namkin Preparation

Mini Jute Spinning Programme :

This unit has been manufacturing twine from raw jute regularly since its inception in the year 1987. The project was commenced in collaboration with erstwhile Jute Technological Research Laboratories (now NIRJAFT), Department of Science & Technology, Govt. of India and that of Government of West Bengal. The idea was to bring the

processing unit under the notice of jute growers as well as to help the jute farmers and to provide employment to some rural youths.

1	No. of male persons engaged	5
2	Total Production	15343.5 Kgs
3	Average Income/ Month/ Head	Rs. 5000

Jute Mill Workshop

Jute Mill Workshop

Weaving Project :

The weaving project has been functioning satisfactorily since 1983. Handloom weaving and stitching products are being prepared here by women workers. Different types of cotton items are being produced regularly at this unit. They are namely, handkerchief, duster, side bag, asan, gamchha, uttariya, Dhooti etc.

1	No. of women engaged	36
2	No. of items produced	33
3	Average Income/ Month/ Head	Rs. 2500

Wool Knitting

Handloom Workshop

Handloom Workshop

Handloom Workshop

Jute Handicrafts Project :

This project has been running since 2000-01 and has been proved to be very successful. Different types of bags, decorating items, mobile phone bag, money purse, table mat, cap, office file Bag etc. are being produced and sold at own showroom at Kamarpukur and in many other places with very good response. Destitute women are presently working in this unit at Pallimangal workshop, Kamarpukur as well as other women individually takes the raw material and finished the goods at their houses at Raghunathpur, Hazipur and Shimlapal and many other places and received the making charges.

1	No. of women engaged	69
2	No. of items produced	41
3	Average Income/ Month/ Head	Rs. 2200

Jute Handcrafts

Incense Sticks Making Project :

This project has also been continuing since 1980. Many poor and destitute women have been trained and earning under the project either working at the Kamarpukur workshop or at their home. After training, many women collect the raw materials from the workshop and prepare incense sticks at home at their leisure hours to support their family economically.

1	No. of women engaged	66
2	No. of items produced (Containing 100/50/25 sticks)	11
3	Average Income/ Month/ Head	Rs. 2400

Incense Stick Making

Non-Formal Education :

Due to socio-economic difficulties, a considerable part of our rural population is yet to see the light of education. In this context, Pallimangal has been conducting a number of Non-formal Education centres at different villages to provide minimum literacy to them. Books, Khata, Teaching Materials, School Dress, Umbrella, Sataranjee, Jug and Bags are distributed to every student during the year. Presently 32 such NFE centres are being continued for the backward and down-trodden classes of children by Pallimangal in 28 villages

under 16 Gram Panchayet areas and one in Tarakeswar Municipality through active involvement of village level organizations. The following chart shows the position in details during 2021-22:

S.L	Village	Organisers	Gram Panchayet /Municipality	No. of Centres	Students

Showroom & Sales Promotion :

To promote the marketing of products as well as for the greater exposure and interaction with different customers and artisans, a regular showroom-cum-sales counter is being maintained by Pallimangal, Kamarpukur within the Ashrama premises. Besides, these products are also supplied to various RKM branches in the country and abroad as well as many private agencies also. Two staff members and one volunteer look after the showroom of Kamarpukur regularly. With the similar view in mind, the Pallimangal, Kamarpukur puts up special sales counters even outside Kamarpukur on various occasions as mentioned under :

Total sales at all these places exceeded all expectations. Huge response as well as demand was received from thousands of customers for different types of quality products like jute handicrafts, incense sticks and food processing products etc.

Vocational Training Programme :

The following training programme with an objective for self employment has been conducted by the training centre of Ramakrishna Mission Pallimangal during the year 2021-22:

SN	Sponsored by	Name of Training Programme	Duration	No. of Trainees
2	Peerless Skill Academy in collaboration with R.K. Mission	Tailoring Training	15.12.21 - 15.06.22	15

Other Welfare Activities From Pallimangal :

Besides the above, Ramakrishna Mission Pallimangal has carried out the following noble works among the economically backward people within its limited resources during the year 2021-22:

SN	Purpose	Male	Female	Child	Total
1	Distribution of Clothes, garments and blankets on Durga Puja, Tithi Puja & Winter season		252	710	962
2	Medical Help	1	2	-	3
3	Pecuniary Help	16	187	-	203

RAMAKRISHNA MISSION CHARITABLE DISPENSARY & EYE (DAY) CARE CENTRE

One of the important principles Swami Vivekananda learned from his Master was Shiva-Jnane Jiva Seva, 'to serve Jiva as Shiva'. Since man is potentially divine, service to man is indeed service to God. Instead of looking upon a needy person as an object of pity, he/she should be looked upon as an object of worship. Such an attitude elevates both the giver and the recipient. Swamiji's love and concern for the poor continues as a directive principle in the Math and Mission's service programmes. Following the footsteps of this great ideal, Ramakrishna Mission, Kamarpukur, is running a Charitable Dispensary for the needy and deserving patients in and around the locality.

Dispensary

General OPD Service:

Patients take the advantage of our daily OPD service in all the three disciplines namely, Allopathic, Homoeopathic, & Ayurvedic. Investigation unit is also running six days in a week on a regular basis. Specialist clinics are also continuing with kind co-operation of reputed physicians, surgeons, specialist doctors from Kolkata, Burdwan and Arambagh etc.

National Programme for Control of Blindness :

This programme was started in the year 1982 at free of cost for the deserving patients. A well equipped eye day care centre was established through which the poor and downtrodden village people of the adjacent areas of four districts e.g. Hooghly, Bankura, Burdwan and West Midnapur are being served on a regular basis since May, 2005. A good number of eminent ophthalmic surgeons, ophthalmic assistants, physicians, O.T. Sisters, Staff, devotees and volunteers are involved and always co-operating in this programme.

Screening for operation IOL, Scanning of eye, Biometry for power testing of IOL, operation itself, refraction, medical treatment, spectacles distribution, health education and referral service, investigation facilities are being provided at Ramakrishna Mission Charitable Dispensary & Eye Day Care Centre, Kamarpukur.

RAMAKRISHNA MISSION PALLIMANGAL (MEDICAL UNIT)

This Medical Unit of Ramakrishna Mission Pallimangal is working in the field of health & health education for economically & socially backward communities. The main projects under this unit are 1) National Leprosy Elimination Programme (NLEP) and 2) Revised National Tuberculosis Control Programme (RNTCP).

Tuberculosis Survey

National Leprosy Elimination Programme (NLEP) :

“I should see God in the poor and it is for my salvation that I go and worship them. The poor and the miserable are for our salvation, so that we may serve the Lord, coming in the shape of the distressed, coming in the shape of lunatic, the Leprosy afflicted person. Bold are my words and let me repeat that it is the greatest privilege in our lives that we are allowed to serve the lord in all these shapes.” – Swami Vivekananda

Few years back, Leprosy was one of the burning public Health Problems in and around the Arambagh Sub-division in West Bengal. Considering the need Ramakrishna Mission Pallimangal has started this programme in July, 2001. The programme was envisaged with general survey, early case detection, diagnosis and MDT treatment, retrieval of the defaulter, Inter-personal IEC, Group IEC. Similarly

Passive case detection and referral service to the PHC for diagnosis and treatment, Inter-personal IEC, Group IEC, Contact survey, DPMR management, SER activity etc. are being taken up by Ramakrishna Mission in the above mentioned areas of Arambagh Sub-division. Total population is about 4.5 lakhs in the project area. The specific geographical areas have been entrusted to eight Field Workers (PMW), One Supervisor (NMS) and One Doctor.

Revised National Tuberculosis Control Programme (RNTCP) :

This programme has been started since 2002 .in collaboration with CARE India under Scheme II. Now the service is continuing under Scheme-IV of RNTCP programme with direct supervision of District and State Govt. Health Department. It is a designated Microscopy and Treatment Centre (DMCTC) under Arambagh TU since 2007. Now this programme is carried out under DMCTC Scheme. During the year, Sputum examination for early detection for suspected cases and the confirmed patients are treated through our treatment centre & referred to the different sub-centres under Arambagh T.U.

Our activities of this programme like, DOTS treatment service, follow up the cases, defaulter retrieval, health education to the affected person and his/her family members, Inter-personal IEC, sensitization of the common people etc. are being continued.

Project Area :-Five Gram Panchayet (Kamarpukur G.P., Shyambazar G.P., Bengai G.P., Paschim Para G.P. and Hazipur G.P.)

National HIV AIDS Control Programme :

AIDS is one of the major burning public Health Problems in India since recent past. This programme has been started since 2006. The areas are allotted to Goghat-1 and Goghat-|| Blocks, Arambagh Block, Arambagh under NACP project. The programme envisages Inter personal IEC, Group IEC and Health education campaign in the project area. The specific geographical areas have been entrusted to Seven Field Workers (PMW)

Dairy

The Math houses a 'Goshala' or cow shed having 60 high-milch cows. Unlike other cow sheds, the one at the Math adopts a procedure of hygienic cattle-care. For this, there is a separate trained work-force. Fodder and medication is given as per prescription from eminent veterinary experts. Average daily 250 liters of milk is produced. Most of the milk obtained, is consumed in distributing among 160 boys residing in our school hostel.

Book Stall

Mango Grove of Manik Raja

It is very well known to the devotees of Sri Sri Thakur that in his childhood days a wonderful divine Leela has been enacted by Sri Thakur, Balak Gadadhar at that time in the pristine garden of Manik Raja, locally known as “Mango Grove of Manik Raja”. He used to come with his mates to this serene place full of mango trees and started doing rural plays theatres on different mythological stories of Sri Krishna and Rama. It was he only who used to lead the village boys group and often their performance resounded throughout the verdant mango orchard.

To restore the old memories, we have located this sacred leelabhumi of Sri Thakur and the exact plot where the divine plays were enacted. We have undertaken a project to recreate the mango orchard of Manik Raja.

As you are aware that on the auspicious day of Jagannath Rath Festival i.e. on 14th August 2018 we have performed the foundation laying ceremony by the hands of Srimat Swami Vimalatmanandaji Maharaj, Adhyksha, Ramakrishna Math (Yogodyan), Kankurgachhi, Kolkata.

Mango Grove Administrative Building

We are very happy to inform all the devotees that the “Mango Grove of Manik Raja” was inaugurated on 4th July, 2019 by the auspicious presence of Revered Srimat Swami Vimalatmanandaji

An Earnest Appeal

Dear Devotees and Well-wishers,

Namaskar and Greetings from Ramakrishna Math, Kamarpukur!

Once unknown to humankind, now Holy Kamarpukur is, slowly, getting the global attention for being the birthplace of Sri Ramakrishna and the epicentre of Ramakrishna Movement. With the passage of time, Holy Kamarpukur has been emerged as Maha-tirtha which is showering solace on the restless minds and uplifting the calm minds.

As a result, innumerable devotees are visiting to explore this holy place every day. Thus, it is our prime endeavour to ensure that all the devotees and pilgrims go back from Holy Kamarpukur with fond memories which will inspire them to lead meaningful lives.

In this pursuit, good amount of our time and manpower are utilized to ensure that devotees and pilgrims are welcomed to partake of Prasad on daily basis. On an average 15000 devotees have Prasad every month. As Kamarpukur will be, shortly, getting railway connectivity with Bishnupur- Howrah, this number will go drastically high.

We have conventional kitchen, which was constructed almost two decades back, which was planned to prepare the Prasad for 100-200 devotees per day. With the increase in the number of devotees and pilgrims, our present kitchen is struggling to cope up with the pressure of preparing food for approx. 500 devotees every day, 1500 devotees on the weekends, 3000 devotees on various festivals and 22000 devotees on birthday celebration of Sri Ramakrishna Dev.

We are badly in need to upgrade our existing conventional kitchen into modern kitchen.

We shall be grateful if magnanimous admirer and supporter of Ramakrishna Movement like you come forward and extend the helping hand for the completion of ***this well-intentioned project of Ramakrishna Math Kamarpukur which will cost approximately Rs. 50 lakhs.***

The cheque may kindly be drawn in favour of ***“Ramakrishna Math, Kamarpukur”*** or you may send your contribution by Bank transfer or through NEFT/ RTGS as per the following details:

Indian Donors:

RAMAKRISHNA MATH, KAMARPUKUR - STATE BANK OF INDIA,

PAN details is mandatory if contribution is above 10K

With hearty namaskars and best regards,

(Swami Lokottarananda)

Secretary

Ramakrishna Mission, Kamarpukur

OUR THANKS

We offer our sincere thanks to Central Government as well as State Government for their financial assistance to us. We also convey our gratitude to our Doctors, Engineers, Donors, well-wishers and the other dedicated Volunteers who have been helping us in carrying out the noble activities taken up by Math and Mission with the motto "for one's own salvation and the welfare of all".
