

## Yogi's Shiva Temple

It is situated to the north of the residence of Sri Ramakrishna. In front of the temple his mother had a divine vision. While

speaking to Dhani Kamarani, she suddenly saw a beam of celestial light which emerged from the image of Shiva, filled the temple and swiftly entered her body.

Taken by surprise and overpowered with fear, she fell into a swoon. When she regained consciousness, she felt that the light was still in her womb, and that she had conceived. As a result, Sri Ramakrishna was born.
